The Washington Post
Democracy Dies in Darkness

Rep. Darrell Issa elected to represent California 49th Congressional District

Updated Nov. 28 at 5:49 p.m.

Republican Darrell Issa has beaten Doug Applegate, a Democrat, in a race for California's 49th Congressional District seat, currently held by Issa.

Republicans retained control of the House and lost only a handful of seats from their commanding majority, a stunning reversal of fortune after many GOP leaders feared double-digit losses. At several points this year, Democratic leaders predicted that Donald Trump's presidential nomination would prompt an

MACHINE LEARNING APIs

Cloud Vision API	Integrates Google Vision features, including image labeling, face, logo, and landmark detection, optical character recognition (OCR), and detection of explicit content, into applications.
Cloud Speech API	Uses fast and accurate speech recognition to convert audio, either from a microphone or from a file, to text in over 80 languages and variants
Natural Language API	Analyzes the structure and meaning of text, including sentiment analysis, entity recognition, and text annotations.
Translation API	Translates text from one language to another.

Sean Hannity

Sean Patrick Hannity[1] (born December 30, 1961) is an American radio and television host, author, and conservative political commentator. He is the host of *The Sean Hannity Show*, a nationally syndicated talk radio show that airs throughout the United States. Hannity also hosts a cable news show, *Hannity*, on Fox News Channel.

Sean Hannity was born in New York City, New York. He grew up in Franklin Square, and spent his high school time studying at St. Pius X Preparatory Seminary. After dropping out of New York University and Adelphi University, he worked as a general contractor, and volunteer talk show host at UC Santa Barbara in 1989. From there, he went on to work at WVNN in Athens, Alabama and shortly afterward to WGST in Atlantain 1992. Four years later, he was hired by Fox and was accompanied by Alan Colmes when he received his show *Hannity & Colmes*. Leaving WGST, he worked at

Klingon as a Second Language

D'Armond Speers Teaches His Son an Alien Tongue

EDDIE DEAN — AUG 9, 1996 12 AM

5 Share Tweet

Vavoy! Vavoy!"

The wild cries echo through the nearly empty Burger King, as 2-year-old Alec Speers calls out to his father, d'Armond, who sits wolfing down a Whopper at a table across the room. After roaming as far as the soda fountain, the tousled-haired Alec suddenly realizes the vast distance between him and his dad; tiny legs shuffling, the gleeful tot now makes his triumphant return.

"Vavoy!" he says again, pointing to his father.
